If the SMALL ENTITY is shown as YES, verify your current SMALL ENTITY status:

A. If the status is the same, pay the TOTAL FEE(S) DUE shown above.

DETAILED ACTION

This action is responsive to applicant's amendment and RCE filing of 3/26/2009, which has been entered into the electronic file of record.

Allowable Subject Matter

Claims 2, 10, 11 and 15-21 allowed.

The following is an examiner's statement of reasons for allowance:

In the Office Action of 9/24/2008, the examiner wrote,

"Claim 14 is objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims."

The applicant has amended claim 10 to include the subject matter of claim 14 and intervening claim 13. Claim 10 remains as the only independent claim with all other claims either canceled or now depending either directly or indirectly on claim 10. Since the IDS of 3/26/2009 and additional searches did not lead the examiner to change his position, all claims are now allowed.

The prior art fails to teach the use of a reference marker in every label in the manner claimed, where the label is arranged and read according to all other limitations present in the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue

Art Unit: 2876

fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
